

## ICT50220 - **Diploma of Information Technology (IT)** CRICOS course code: 03886K

### Course Duration

68 weeks full time for international students and includes self-directed study, holiday and assessment time  
Negotiated individual or group study  
support sessions are available on a weekly basis and are included within the time table.

### Delivery Mode

Face to Face classroom  
Self-directed as per timetable

### Enrolment Date

Rolling Intake

This qualification provides the skills and knowledge for an individual to administer and manage information and communications technology (ICT) support in small-to-medium enterprises (SMEs) using a wide range of general ICT technologies. Persons working at this level provide a broader rather than specialised ICT support function, applying a wide range of higher level technical skills in ICT areas such as networking, IT support, database development, programming and web development.

## Entry requirements

18 years of age

Student must demonstrate English language proficiency of IELTS score of no less than 5.5 or equivalent.
