

ICT60220 - **Advanced Diploma of Information Technology (IT)**

CRICOS course code: 03886K

Course Duration

79 weeks full time for international students and includes self-directed study, holiday and assessment time

Negotiated individual or group study support sessions are available on a weekly basis and are included within the time table.

Delivery Mode

Face to Face classroom
Self-directed as per timetable

Enrolment Date

Rolling Intake

This qualification reflects the role of individuals in a variety of information and communications technology (ICT) roles who have significant experience in specialist technical skills, or managerial business and people management skills.

Individuals in these roles carry out complex tasks in a specialist field, working independently, leading a team or a strategic direction of a business. They apply their skills across a wide range of industries and business functions, or as a business owner (sole trader/contractor).

Entry requirements

18 years of age

Student must demonstrate English language proficiency of IELTS score of no less than 5.5 or equivalent.

Pre-entrance interview

Hold a Diploma level qualification or equivalent
