

ICT50220 - **Diploma of Information Technology (IT)**

Course Duration

- 74 weeks fulltime for international students. Includes self-directed study, holiday, and assessment time.
- Negotiated individual or group study support sessions are available on a weekly basis and are included within the timetable.

Hybrid Delivery Mode

- Face-to-Face classroom
- Online Learning
- Self-directed as per timetable

Enrolment Date

- Rolling Intake

This qualification reflects the role of individuals in a variety of information and communications technology (ICT) roles who have established specialised skills in a technical ICT function.

Individuals in these roles carry out moderately complex tasks in a specialist field, working independently, as part of a team or leading a deliverable with others.

They may apply their skills across a wide range of industries, business functions and departments, or as a business owner (sole trader/contractor).

AUSTRALIAN NATIONAL EDUCATION INSTITUTE

- Student must demonstrate English language proficiency of IELTS score of no less than 5.5 or equivalent.
- Pre-entrance interview

Core Units

Unit Code:	Unit Name:
BSBCRT512	Originate and Develop Concepts
